

Empowering you to achieve more with
Microsoft Advertising

Microsoft Advertising. Intelligent connections.

Empowering every person and organisation on the planet to achieve more

Powering the world with **1 billion** monthly active devices

1 in every 7 people on the planet are planning, creating, ideating, and searching Windows 10. The Bing search bar is built into Windows 10 and it helps users of Office, SharePoint and Microsoft Edge.

The new Microsoft Edge delivers world-class performance with more privacy, more productivity, and more value while you browse.

Australians are spending more time on desktops. Put your right message at the right time to the right person.

According to the IAB research, desktop is out pacing mobile usage. It is expected desktop usage will continue to increase with the increasing amount of people working from home. *

Reach 15% of the PC search market, 9 million unique searchers and 142million monthly searches with one ad buy.

Microsoft Advertising: Creating a greener 2020 one tree at a time

The Microsoft Search network not only provides both paid and organic results for Bing, it also powers other owned and operated sites such as Yahoo, AOL, Verizon Media as well as syndicated sites like DuckDuckGo and Ecosia. Search, earn and donate with [Microsoft Rewards](#) or contribute towards our sustainability mission.

Microsoft Advertising

Be a part of creating a greener 2020 one tree at a time and helping us reach our 250,000-tree planting goal!
